Volume 1—Number 1

Editorial **Tokyo, here we come!**

Dear students, instructors and friends of **WSKF USA**,

We are happy to inform you that the **WSKF USA Foundation** has been duly established as a non-profit organization, legally operating from the State of New Jersey. We have also been granted admission into the **Team USA®** Karate Federation, member of the **US Olympic Committee**. We are also processing the registration of our trademark, **WSKF USA®**, and have appropriately registered as an employer with the **IRS**. Everything by the book...

We will continue to train in the **Pace University** Gym, in One Pace Plaza, New York, NY, as we have done since last September. We continue to advance there the registration of our Club, and the **Pace Setters Karate Team** that should travel to Tokyo this year, in August.

We will be publishing **BUDO tips®** every three months, following the established format, offering the following sections for your enjoyment:

- ☯ **Editorial**
- ☯ **BUDO:** A section on Karate-do principles and values
- ☯ **Techniques:** A section aimed at the practitioner
- ☯ **Management:** A section aimed at the Instructor
- ☯ **WSKF news:** Covering WSKF events worldwide

Lend us a hand. Send us your suggestions.

Best regards,

Francisco J. Quevedo
